

Pelli Chesi Choodu (1952)

Poster of "Pelli Chesi Choodu"

This was the third movie made by Vijaya Pictures. Their earlier two films, "Shavukaru" in 1950 and "Patala Bhairavi" in 1951 were huge hits. L.V. Prasad was back here directing this movie (he also directed "Shavukaru" for Vijaya). Savithri was introduced by Prasad in "Samsaram" in 1950 in a bit role. He has her play a supporting role in this film. Young Savithri was a delight to watch as can be seen from the attached pictures.

The movie deals with the serious subjects of marriage and dowry. However it does this with plenty of cleverly mixed comedy. There are 16 songs in the film and all of them became very popular. Ghantasala composed the music.
